[Anastacia Wants To Be Bridesmaid at Elton John's Upcoming Wedding](#)

The 32-year-old singer says she wants to be the "flower bitch" at Elton John's upcoming wedding.

The former wedding singer who became one of the most famous pop star of the last decade has recently said she wants to be a bridesmaid at Sir Elton John's Wedding. The British star plans to tie the knot with partner David Furnish in December. "I wanna be his frickin' orchid-throwing flower bitch! I'd hold his train. I'd hold both their trains because you know those bitches will be wearing trains", Anastacia said. "I would make a fool of myself for El, he's such a lovely, lovely man and I'm so grateful to know him", the 32-year-old singer added. Anastacia has been a good friend with Elton John, who lets her stay in the 'princess room' in his mansion. "I even slept in the 'princess room' in his house! It was adorable. He has all these little porcelain kitty-cats everywhere. It was so cute. We woke up and we had breakfast together in robes and everything.", she revealed. Anastacia has also confessed she has been a little bit jealous on Eton John's friendship Victoria Beckham. "Victoria and David came to one of my concerts right after she gave birth and I wanted to smack her down because she looked so f***ing good. I was like 'I hate you'", she said to Britain's Hot Stars magazine.
