Angelina Jolie and Brad Pitt: Boat Marriage on Lake Como

The couple are said to wed next week in the middle of Lake Como in northern Italy

Flash news for Brangelina: the two movie stars, who are expecting their first child together this summer, are said to have already arranged to get married next week, on a boat. Close friends of Angelina Jolie and Brad Pitt say that the two are set to tie the knot on a boat, in the middle of Lake Como in northern Italy. It was rumored before that the couple would wed at Brad's friend George Clooney's house, who owns a villa by the Italian lake. But it looks like they've settled for a boat wedding. After their nuptials, Brad and Angelina are planning on hosting a party at a stunning hotel by the lake. The couple, who have already rented a plush apartment to use when they come to Paris, are going to buy a home in the south of France, as they believe life would be more secure for them there. They have reportedly been looking for a suitable place, but haven't found the right one yet. Meanwhile, the two lovebirds split their time between their swanky homes in the US and UK.
