Angelina Jolie Pregnant With Brad Pitt?

According to New York Post paper, Angelina Jolie is expecting a child with Brad Pitt.

According to New York Post paper, Angelina Jolie is expecting a child with Brad Pitt. The beautiful actress, who denied having a romantic affair with Hollywood actor Brad Pitt, it is reported to be pregnant in three months. One source told America's New York Post journalist Braden Keil over the weekend: "She's just in her first trimester. Obviously, they're keeping everything very quiet". Just a few days ago, they have been recently photographed while Brad was teaching Maddox to ride a motorbike and acting like a real dad. "They looked like a complete happy family and Brad seemed to love playing dad".
