## [Apple Offers Free Tickets to the iTunes Live: London Festival '08](#)

*Every day is a new chance to nab free tickets to gigs*

**Apple's iTunes Live: London Festival** this year will be hosted at London's famous Camden Palace, dubbed **KOKO**, and will feature acts such as Pharrell Williams' N\*E\*R\*D, James Blunt and Feeder. What you should really know is that you can get free tickets for every night of the iTunes Live: London Festival '08. If you'll be so kind as to follow me to the next paragraph...Starting July 1, 2008 Apple's iTunes Live: London Festival '08 is hosted at KOKO. Every evening will bring new artists on stage, some of which are among your favorites for sure. That's why Apple thought it'd be great to offer some free tickets, too. To enter the competition to win a pair of tickets to see your favorite band / artist perform live at KOKO in London on Tuesday July 1, 2008, you will need to fill in a form with a few details. Those include first name, last name, the e-mail address you used to set up your iTunes Store Account, the city you live in, and your mobile telephone number. Click [here](#) to do just that. Each performance will be recorded and made available for sale on iTunes as soon as the event is over. Here's the current lineup of performing bands and artists (with more artist announcements coming soon):  
**1 July - N\*E\*R\*D**  
**3 July - Hadouken**  
**8 July - Lightspeed Champion + Pete & The Pirates**  
**9 July - The Ting Tings + Florence & the Machine**  
**10 July - Jamie Lidell + Yelle**  
**12 July - James Blunt**  
**14 July - Death Cab For Cutie + I Was A Cub Scout**  
**15 July - The Zutons + Red Light Company**  
**16 July - CSS + Alphabeat**  
**17 July - Guillemots + Lykke Li**  
**19 July - Feeder + Infadels**  
**23 July - The Script + Sam Beeton**  
**26 July - Chaka Khan**  
**28 July - Pendulum + INME**  
 Note that you have to be an iTunes Store Account holder to enter this competition. If you don't have an iTunes Store Account, click [HERE](#) to get the iTunes application (free download) and open an account.
