## [Armored Core 2 Hints XI \(PS2\)](#)

### *Custom AC*

Armored Core 2 is the second full game in the Armored Core franchise. **GAMEPLAY HINTS**

**Power House Custom AC** Head: ZWO-MO/EGRT Core: ECW-D4 Arms: EAW-DC10 Legs: ELC-DISI Booster: None FCS: DOX-PG2 Generator: HOY-BV2500 Radiator: RBG-CLX5000 Inside: Optional Extension: ZEX-AL/REX Back Unit L and R: ZWX-E90/MAC Note: Only use this AC in an arena when facing a slower person in the dome. Also, if you change the arms to EAW-BZD, you can effectively defeat Klien the last time in Phobos. **Providence Custom AC** Head: ZHD-200/SV Core: ZCX-F/ROOK Arms: ZAN-202/TEMLegs: ZLN-XA2/FF Booster: ZBT-GEX/3000 FCS: VERTEX-124/EE Generator: HOY-B1000 Radiator: RBG-CLX5000 Inside: n/a Extension: n/a Back Unit L: ZWM-M24/IMIBack Unit R: ZWC-LQ/2552 Arm Unit L: LX-MOONLIGHT Arm Unit R: KARASAWA-MK-2 Note: This AC is overweight. It is similar to Ares' AC, but has a better FCS and generator. If used correctly, this AC can be a killing machine. It can be used to defeat everyone in the Arena easily except for Matthias. Use the laser cannon only if you run out of ammunition in the Arena. **Punisher Custom AC** Head: ZHD-MO/EGRET Core: ECH-D4 Arms: EAN-MWZ Legs: ZLN-EKI/SRRT Booster: ZBT-GEX/3000 FCS: LODD-BLAZER Generator: HOY-BV2500 Radiator: RBG-CLX5000 Inside: Any Extension: BEX-BAMS-287 Back Unit: EWX-GCN77-4 OR the EWC-CNG4000 and EWC-GN44-ACA Arm Unit R: EWG-BZ-B1100 Arm Unit L: LS-MOONLIGHT Colors General: R: 0, G: 0, B: 0 Note: this is an overweight AC. It is also definitely a showbot. **Pyro Custom AC** Head: ZHD-MO/EGRET Core: ZCH-GR/1 Arms: EAN-MWZ Legs: ZLN-9001/A Booster: ZBT-Z1/ARTEREFCS: LODD-QHT Generator: HOY-BV2500 Radiator: RBG-CLX5000 Inside: INW-EM-RRD Extension: BEX-BB210 Back Unit R: ZWX-IV/PURSUIT Back Unit L: ZWX-IV/PURSUIT Arm Unit R: EWG-HC-RAW Arm Unit L: ELS-3443 Stats: AP: 9614 Weight: 11162 Price: 780,600 Overall: 40012 Grade: EXCELLENT General Color: Base: R: 88, G: 30, B: 0 The other four colors are the same ones you start with at the beginning. Note: This AC may be overweight and runs a bit slowly, but looks nice and handles well. Here's the final mission of the game:
