Ashlee Simpson Celebrates Her New Album With A Tattoo

The sexy singer has got the word LOVE tattooed on her ankle.

Ashlee Simpson has got a LOVE tattoo to celebrate finishing her second album. The young singer, has actually had the word 'love' etched onto the inside of her left wrist and cherries tattooed onto her ankle. "I got 'love' because, for me, love is the most important thing. So I can give people love", Ashley said. The younger sister of "The Dukes of Hazzards" star Jessica Simpson, intends to get other tattoos in the future, but her parents are not very pleased with her idea. "I'm sure I'll get more tattoos but my parents are begging me not to", the blonde beauty is quoted by America's People magazine as saying. Ashlee will soon celebrate her 21st birthday with lots of alcohol. "I want so much wine and champagne. I just got a new house and I have the wine rack. So I want to fill that up." "As far as clothes and diamonds, I don't need that", she revealed.
