Ashlee Simpson Says NO to Playboy

Struggling singer turns down \$4 million offer.

Bad news, gentlemen! The sister of internationally acclaimed singer and actress Jessica Simpson, Ashlee has decided to turn down the famous men's magazine 'Playboy' and its \$4 million offer. Apparently, the wannabe singer gave the matter a lot of thought before actually refusing it and decided to keep her clothes on and keep focusing on her music career. Nevertheless, Ashlee's publicist told the press that she should have done the shoot, as it would have been the perfect time to distinguish herself from her sister... and show her awesome body to everybody. Friends of the artist share the same view with her publicist and one of them told 'In Touch Weekly' Magazine that she should have accepted the offer because it would have raised her 'profile'. What does that mean? Is the friend referring to Ashlee's (new) nose?
