[Bomberman Live Achievements \(Xbox 360\)](#)

A complete list of XBLA achievements for the game

Hudson Entertainment's [Bomberman](#) Live has been specifically tailored for XBLA, delivering unparalleled social gaming excitement with high definition graphics, four-person local multiplayer and eight-person online multiplayer over XBL. More than that, players will now have over 10,000 unique ways to fully customize their Bomberman. Hudson's Bomberman Live offers crazy paced and funny online action for up to eight players and allows them to fully customize their characters (there are over ten thousand possible combinations). And it all started such a long time ago with Hudsonsoft's first Bomberman. The franchise must bring sweet memories to players of different ages, with its hot seat multiplayer action from the first Bomberman or the funny Atomic Bomberman. It's a simple game, easy to learn, hard to master, offering everybody a break from the ultra-violent games nowadays. We know that true gamers play all these games just for fun, as they should and not in order to achieve specific point landmarks to prove their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to the game, we have prepared a full list of achievements. Good luck!
