Brad Pitt is Taking Flying Lessons

Hollywood hunk Brad Pitt, trying to impress his new lover, beautiful actress Angelina Jolie, has signed up on a course of flying lessons.

Hollywood hunk Brad Pitt, trying to impress his new lover, beautiful actress Angelina Jolie, has signed up on a course of flying lessons. Pitt, 41, who is rumored for quite some times now to date Angelina Jolie, is going to pay \$9000 on 40 hours of lessons to get a pilot license, so he can fly to the sky with his lover. A source tells British newspaper The Sunday Mirror, "Brad thought, 'My girlfriend can fly, why can't I?'" . An American air source says, "This is one thing where there's no star treatment - all they care about is safety. It takes months and months of hard work. "It takes many hours to get certified and get your license. It's not something you do in a weekend." .Just a few days ago, it was reported that Angelina Jolie has recently been introduced to Brad Pitts' mom and apparently, everything went fine, the famous actress making a great impression on her boyfriend's mother. Brad Pitt and Angelina Jolie got closer after working together on 'Mr and Mrs Smith'. The "Troy" star is said to have become a great father to Angelina's kids. Maddox has reportedly called him Dad actor and Brad was also overheard asking the baby girl Zahara: "How do you like your new mummy and daddy?"
