[Cabela's Big Game Hunter 2008 - Achievements \(Xbox 360\)](#)

Hunting has never been this fun

Cabela's Big Game Hunter represents an incredible adventure in the world's most prolific hunting locations, searching for rare trophy animals. Put your hunting skills and techniques to the test by using real-life strategies and bring that legendary big game home. Are you ready for the hunting adventure of a lifetime? The game has a number of interesting features like Trophy mode, where you can hunt 24 species including elk, moose, mule deer, caribou, kudu and other well known trophies, exciting locations (Montana, New Zealand, Africa, and Argentina) and the most important hunting guides and authentic hunting gear modeled using the latest 3-D technology. Check out the achievements list to see what to expect.
