The 32-year-old beauty, currently married to Dave Navarro, says she's fallen "in love" with actor Eugene Levy. "Dirty Love" star Carmen Electra plays Levy's wife in the upcoming movie Cheaper by the Dozen 2, directed by Adam Shankman. Apparently, Electra had a great time while filming in Canada with the 59-year old actor (known as Jim's dad in the "American Pie" movies). *I actually started falling in love with him during shooting. He's amazing. I think guys that are funny are a turn on*, said the actress. **Carmen Electra:**
