[Cars Mater-National Achievements \(Xbox 360\)](#)

A complete list of the things you can achieve while playing

Cars Mater-National is the sequel to Cars, the game inspired by Pixar's animated movie with the same name. However, this second title in the series is loosely based on the original. The Xbox 360 version was developed by Rainbow Studios and published by THQ on the 29th of October 2007 in North America, the 29th of November 2007 in Australia and the 30th of November 2007 in Europe. As the name suggests, the game focuses on the first ever Mater-National race held in Radiator Springs by Lightning McQueen. Many of the characters who appear in this [racing game](#) are known from Pixar's movie, but only a few of them are playable (only four of them in Story mode and 17 in Arcade). The game has been generally welcomed and enjoyed by the fans of the series and many are still hoping to get a new installment. We know that true gamers play all these games just for fun, as they should and not in order to achieve specific point landmarks to prove their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to the game, we have prepared a full list of cheats. It should help you achieve all you have planned. Good luck!
