Chris Martin And Carrie Underwood Voted "World's Sexiest Vegetarians"

According to PETA's poll, Coldplay frontman Chris Martin and the winner of American Idol contest, Carrie Underwood were voted the "World's Sexiest Vegetarians".

According to PETA's poll, Coldplay frontman Chris Martin and the winner of American Idol contest, Carrie Underwood were voted the "World's Sexiest Vegetarians". The two artists managed to overrun celebrities like David Duchovny, Reese Witherspoon, Joss Stone, Avril Lavigne, Joaquin Phoenix, and Prince, as well as previous winners Tobey Maguire, Andre 3000, Josh Hartnett, Alicia Silverstone, Natalie Portman, and Shania Twain. A PETA spokesperson said: "Martin and Paltrow are known for their love of vegan cuisine and they made international headlines recently when they gave daughter Apple a vegan birthday cake." More than 13,000 people voted in PETA's annual "World's Sexiest Vegetarian" poll. According to Peta.org, Carrie Underwood "has said that she decided she'd rather sing to the cows than eat them. Carrie frequently mentions that vegetarian pizza is one of her favorite foods, and while making her new album, the chef in the recording studio reportedly made vegetarian barbecue for her between songs. What's more, Carrie is also known to rescue stray animals."
