[Clive Barker's Jericho - Unlockables \(Xbox 360\)](#)

A complete list of the things you can find while playing

First of all, gamers should know that Jericho is a terrifying squad-based horror [FPS](#) inspired by an original concept and story by horror writer and film maker Clive Barker. An ancient evil has broken through into our world and is threatening to spread its taint across Earth unless it's stopped. At ground zero lies the Middle Eastern city of Al-Khali, a modern one built atop the ancient ruins of a dozen previous conquerors. In this demo, you'll lead the Jericho team through the sewers of an immense fortress, harnessing their unique powers and weapons to destroy the hoards of demonic crusaders that stand in their way. Be advised that the game is rated M for Mature, so don't play it if that's not the case for you. Now, in this game, players will step into the boots of Captain Devin Ross, the fallen squad leader who, as a spirit, is able to possess and heal individual members of the team. This is where players must begin taking advantage of Church, Black and Delgado's paranormal talents. We know that true gamers play all these games just for fun, as they should and not in order to achieve specific point landmarks to prove their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. **Unlockables** Successfully complete the indicated task to unlock the corresponding bonus:
