[College Hoops 2K8 Achievements \(Xbox 360\)](#)

A complete list of achievements waiting to be discovered

[College Hoops 2K8](#) offers a realistic college basketball experience with deep enhancements, new animations and, of course, next-gen looks. For example, with the new Play Designer feature, you're no longer limited to just what the coaching staff has laid out. If you've got a new play up your sleeve, by all means, use it! Who knows? It might just work. The game was published by 2K Sports for all the nex-gen consoles and the last gen PlayStation 2, on the 19th of November 2007. Featuring announcers Verne Lundquist and Bill Raftery, College Hoops 2K8 has been met by positive reviews and fans loved it instantly, even though it only features NCAA players. We know that true gamers play all these games just for fun, as they should and not in order to achieve specific point landmarks to prove their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to the game, we have prepared a full list of achievements. Good luck!
