## [Command & Conquer 3: Tiberium Wars Unlockables and Achievements \(Xbox 360\)](#)

*Everything you can unlock while playing*

Tiberian Sun was one of the most definitive [real time strategies](#) of its time and literally shaped the future of today's games. In the early days of strategy, more precisely back in 1999, the force which struck the market was so huge (here personified by Command & Conquer, Tiberian Sun) that it imposed itself as a landmark and comparison title for all that followed. When the sequel, Tiberium Wars, was released, people were already expecting it - and they were proved right. Not to mention the fact that the potential experience was even greater, since Kane's Wrath got released by Electronic Arts (you can check our review [here](#)). We know that true gamers play all these games just for fun, as they should and not in order to achieve specific point landmarks to prove their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to the game, we have prepared a full list of achievements. Good luck!

**ACHIEVEMENTS**  
 GDI Bronze (20 points) GDI Campaign Finished with Bronze medal and Bonus Ribbon.  
 Nod Bronze (20 points) Nod Campaign Finished with Bronze medal and Bonus Ribbon.
