[Condemned 2: Bloodshot Achievements \(Xbox 360\)](#)

A complete list of the things you can achieve while playing

Condemned 2: Bloodshot is the sequel to the violent, gory and extremely scary Condemned: Criminal Origins. Developed by Monolith Productions and published by Sega, the game was released on the 4th of April 2008 in Europe, th 11th of March 2008 in the United States and Canada and the 28th of March 2008 in Australia (we're talking about the Xbox 360 version now, obviously). Even more violent than the original title, **Condemned 2: Bloodshot** has been banned in Germany, despite its generally good reviews received from critics and fans. The game also features multiplayer modes. An interesting fact to note is that Greg Grunberg no longer plays the role of Ethan, the main character, mostly due to the personality change. Instead, Ethan is voiced by actor Andre Sogliuzzo. We know that true gamers play all these games just for fun, as they should and not in order to achieve specific point landmarks to prove their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to the game, we have prepared a full list of achievements. Good luck!
