[Crash Bandicoot 3: Warped Cheats and Secrets \(Playstation\)](#)

The best title in the series deserves some good cheats!

Crash Bandicoot 3: Warped is a platform game created and developed by Naughty Dog for the PlayStation. It was well-received publicly and critically, selling 3.05 million copies worldwide. The game serves as a direct sequel to **Crash Bandicoot 2: Cortex Strikes Back**. It was the last platformer in the series developed by Naughty Dog who then developed Crash Team Racing. The story centers on Crash and Coco Bandicoot and their mission to gather Crystals scattered across time before their enemies. Like previous installments in the Crash Bandicoot series, Warped consists of two main modes of gameplay: a hub room and the levels. The hub room (called the Time Twister here) is split into five areas, each containing five levels and a boss fight. Initially, only one area in the hub is accessible, but more are opened as the areas are completed. The levels featuring Crash largely stick to the "follow-the-path" gameplay seen in previous games in the series, but other modes, such as riding a biplane, jetski, and tiger can be seen along with this.

Codes
Instant Mask (Protection) Note: This only works once per life and only works on the PAL version - Press X + Circle + Square + Triangle.
Spyro the Dragon Demo - At the main menu press Up, Up, Down, Down, Left, Right, Left, Right, Square.
Unlockables
Alternate Ending Alternate Ending - Beat Cortex with 44 gems and 30 Sapphire or better relics.
Fireworks Show Fireworks Show - Collect 30 Gold Relics, then talk to Coco next to the Load/Save screen.
Unlockable Warp Rooms To Unlock these warp rooms, you must complete certain tasks in the game.
 Load/Save Warp Room - Obtain 5 Relics
 Warp Room 2 - Defeat Tiny the Tiger
 Warp Room 3 - Defeat Dingodile
 Warp Room 4 - Defeat N. Trophy
 Warp Room 5 - Defeat N. Gin
Secrets
Hidden Level Eggipus Rex To access the hidden level, Eggipus Rex, go to Dino Might and take the Yellow Gem Path to the secret area. While being chased, let the second pterodactyl attack you. Instead of killing you, it will carry you off to this secret level.
Hidden Level Hot Coco To go to the hidden level, Hot Coco, go to Road Crash and drive into the yellow alien sign. Here's how to defeat all the bosses in Crash Bandicoot 3:
