Clash into a car then unclash. This will give you a speed boost and leave the other car behind. Keep doing this repeatedly until you get ahead of everyone. Note: You cannot do this to already clashed cars. **Easy coins** Drink a Whumpa Whip and let a Ninja Penguin attack you. Then, pick up your coins. **Happily Ever Faster: Get to the Modulator** Talk to Coco in the Midway Funfair. Go to Happily Ever Faster and go to the Evolicity half. Then, go across the bridge and climb on to the ledge where you get the gem. You will see a machine, which is the Modulator. Then, return and talk to her. You should now be able to get a new car.
