[Dead Rising Achievements \(Xbox 360\)](#)

A complete list of the things you can achieve while playing

Capcom's ultra violent zombie extravaganza, [Dead Rising](#), was developed by Capcom Production Studio 1 and released on the 8th of August 2006 in North America, the 8th of September 2006 in Europe and the 28th of September 2006 in Japan. The [action adventure](#) videogame was banned in Germany for its excessive violence. Soon after the Dead Rising was released in the United States, Capcom launched a set of eight downloadable keys to Xbox Live Marketplace that would unlock goodies in the Security office, providing the main character with eight new outfit options. Then, there was a rumor saying something like when the platinum version of Dead Rising was released, it would contain a new cooperative mode. This would also be available to current owners via the Xbox Live Marketplace for a (small) fee. We know that true gamers play all these games just for fun, as they should and not in order to achieve specific point landmarks to prove their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to the game, we have prepared a full list of achievements. Good luck!

ACHIEVEMENTS
