[Deadliest Catch: Alaskan Storm Achievements \(Xbox 360\)](#)

A complete list of the things you can achieve while playing

[Deadliest Catch: Alaskan Storm](#) is a game developed exclusively for the Xbox 360 - it was in the works for over three years before it got released. Good thing we have the achievements here, right? At least, this way, we know what to expect from it. The other way would be to watch the documentary it's based on... Oh, yeah! Playing the game would also do the trick! The player will be thrown into the shoes... err, boots of one crab fishing boat captain and he'll have all the options open to him. He can select the boat or build it up from scratch, he can select the crew, the supplies he takes aboard and the areas he wants to fish in. And then, he has to fight against the sea, the weather and other captains in search of his prized catch, the King crab. We know that true gamers play all these games just for fun, as they should and not in order to achieve specific point landmarks to prove their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to the game, we have prepared a full list of achievements. Good luck!

ACHIEVEMENTS

- Crab Boat Captain (15 points)
