[Ecco The Dolphin Achievements \(Xbox 360\)](#)

A complete list of the things you can achieve while playing

Ecco The Dolphin is an action-adventure game originally released in 1993 by Novotrade International for the [Sega](#) Genesis consoles. Being considered one of the hardest games ever released, it has managed to create a very active and dedicated community of fans. Also, lots of sequels and spin-offs were released. The [Xbox Live Arcade](#) version of Ecco The Dolphin was released on the 15th of August 2007 and it still is available to be purchased for 400 Microsoft Points. It features improved graphics and game mechanics and is, just like the original, an incredibly difficult game. We know that true gamers play all these games just for fun, as they should and not in order to achieve specific point landmarks to prove their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to the game, we have prepared a full list of cheats. It should help you achieve all you have planned. Good luck!
