Eva Longoria and the Vibrators Trucks

"Desperate Housewives" star Eva Longoria, was sent hundreds of sex aids by her fans, after she had confessed in an interview her love of vibrators

The DESPERATE HOUSEWIVES star claimed she was overwhelmed when trucks loaded with all kinds of vibrators suddenly arrived through the mail. The actress got this stunning response from her fans, after she had confessed in an interview her love of vibrators, saying that all women should own and rely on one. *People sent them to me by the truckload. Boxes and boxes and boxes. I gave them to all my girlfriends*, Longoria said. The ABC network bosses suggested her to be more careful with sex confessions, to avoid shocking TV viewers or her fans. *ABC said, 'Will you please stop saying vibrator.'*, the actress added.
