[FIFA 2003 Unlockables and Secrets \(PC\)](#)

The best FIFA game in the series

FIFA Soccer 2003 was released for Windows, PS1, PS2, GameCube, Xbox, Game Boy Advance and Mobile. This game contains a complete new gameplay compared to FIFA 2002. EA completely revamped the outdated DirectX 7 graphics used in FIFA 2001 and **FIFA** 2002 and introduced new T&L graphics, featuring more detailed stadia, players and kits. Timo Maas was the main artist on the soundtrack, with his song "To Get Down (Fatboy Slim Remix)" used during the opener. This title is also widely known as one of the best FIFA game made. An Elite league composed of the best European teams was also included (this feature was first present in FIFA 99). The League was composed of 18 clubs from Europe. These are the clubs: RSC Anderlecht, Arsenal, Liverpool F.C., Manchester United F.C., Olympique Lyonnais, Paris Saint-Germain, RC Lens, FC Bayern Munich, Borussia Dortmund, Bayer 04 Leverkusen, Juventus, FC Internazionale Milano, AS Roma, Ajax Amsterdam, Real Madrid CF, FC Barcelona, Valencia CF, Galatasaray. The game got very good reviews and it was highly acclaimed by both critics and gamers. We provide you cheats and a list of unlockables for those die-hard FIFA fans that want to get the best out of this footballing experience: **Unlockables***Seoul stadium*Win the International Cup to unlock it. *Stade de France stadium*Win the Club Championship to unlock the Stade de France stadium. **Other Unlockables**Unbeatable Challenge - Win the World Tour tournament Yokohama Stadium - Win the ECC trophy **Secrets***Master Cheat List*Open your soccer.ini file in your directory.
