[Frogger: Ancient Shadow Passwords \(PS2\)](#)

Costume passwords and art gallery

Frogger: Ancient Shadow is an action platformer for the whole family that merges the classic Frogger "hop-n-dodge" gameplay with platforming elements for an exciting new challenge. Join Frogger at his home in Firefly Swamp, where a dark secret has recently been uncovered. When an evil crocodile by the name of Dr. Wani tries to resurrect an ancient evil force that used to inhabit the swamp, it's up to Frogger to save the day. Joining the hero on his adventures is a new playable character, Berry, a teenage Amazon frog who performs as an acrobat in a traveling caravan, with her own unique skills. Frogger: Ancient Shadow will feature a lily pad full of unlockables and extra stages that, when completed, open up additional endgame sequences. In addition, [gamers](#) will be able to play with up to three other friends in a series of Frogger mini games. As a special bonus, retro fans can enjoy a blast from the past as they unlock the original Frogger arcade game!
