## **"Gametrak: Real World Golf" Coming To PC**

### *Succes expected*

Following its huge success on the PS2 platform, "Gametrak: Real World Golf", the revolutionary golf game where you swing a club to play, is coming to PC. "Real World Golf" on PC has all the features of the best-selling PS2 version, and is the perfect Christmas present for golfers and gamers alike. The game will start shipping on 23rd November. Some game features: - Every aspect of your swing is tracked in real time and shown onscreen. - Just adjust your swing to pitch or fade, top or spin the ball - everything you can do in real golf you can do in Real World Golf! - The voice of legendary golf commentator, Peter Alliss. - Five stunning 18-hole courses, plus driving range. - Multiplayer modes for up to four players - Party games - golf darts, through-the-hoops, target practice, and car smashing! - In-depth video tutorials with a golf professional teach you how to stand, grip, swing and more. Since the number of Internet threats consisting of viruses, worms, trojans (to mention just a few) is growing day by day, Softpedia gives you the chance to vote for your favorite antivirus application.
