[Giorgio Armani is a Big Fan Of 50 Cent, Outkast and U2](#)

Fashion legend Giorgio Armani likes to listen to 50 Cent's music

Giorgio Armani has recently declared he prefers to listen to a wide range of music, but rock and rap are among his favorites. The 71-year-old Italian designer, who enjoys listening to Cole Porter, stated his musical choice for a good mood is definitely Outkast. "My taste in music has always been eclectic", Armani confessed. The fashion guru added he loves 50 Cent and also believes "the one thing that everybody needs to do before they're through is see U2 live."
