[Guitar Hero 2 Track List \(Xbox 360 and PS2\)](#)

Rock and Roll with the guitar joystick

Rockers all over the world gather round to witness this brilliant game created by Red Octane! Unintended rhyme here, I think... It must be all that music around me, all those tunes that [Guitar Hero II](#) injects in your hard-rocking veins. It's the perfect rockstar simulator and it comes with a cool guitar joystick designed by Red Octane. Angry riffs and long solos will make you sweat and jump around while performing live...in front of your TV. Buy Gibson Guitars and unlock all the cool characters, but most of all, enjoy those great songs. You might already know how to get all the guitars and secret in GH II, but in case you didn't, you can find them [here](#). We provide you with a track list of the great songs available in Guitar Hero II: **1.
