## **"Harry Potter and the Goblet of Fire" Launched**

*Magic is everywhere!*

Electronic Arts and Warner Bros. announced that Harry Potter and the Goblet of Fire videogame was released today for the PlayStation2, Xbox, Nintendo GameCube, Nintendo DS, Game Boy Advance and Windows PC. Launching in conjunction with the Warner Bros. Pictures film based on J.K. Rowling's fourth book, the game allows players to experience thrilling moments of the movie and master magic in cooperative play with up to two of their friends."The Harry Potter and the Goblet of Fire videogame offers Harry Potter fans and gamers alike a chance to explore the adventures of the young wizard and his friends in a whole new way", said Harvey Elliott, Executive Producer at EAUK. "We worked closely with David Heyman, the film's producer, to ensure a synergy with the overall look and feel of the film. The game is cinematic and immersive, and we're looking forward to getting it into players' hands." "The extremely rich Harry Potter world captured in both the film and the book is brought to life in the Harry Potter and the Goblet of Fire videogame with a completely interactive experience", said Jason Hall, Senior Vice President for Warner Bros. Interactive Entertainment. "We worked closely with EA to ensure this latest edition to the Harry Potter videogame franchise is a great action adventure game, depicting the magical story for players." In Harry Potter and the Goblet of Fire, Harry is mysteriously selected as the fourth competitor in the dangerous Triwizard Tournament and must confront a fire-breathing dragon, rescue friends from the icy depths of the Black Lake and navigate the twisting mysteries of a vast, enchanted maze. Players will experience all the adventures of the movie - from the Quidditch World Cup campsite to a heart-stopping duel with Lord Voldemort himself! The magical world of Harry Potter comes to life with in-game characters that look like their big-screen counterparts for the first time and nearly a dozen cinematic locations that mirror those in the upcoming film. Additionally, Academy Award-nominated actor Ralph Fiennes carries on his role of Lord Voldemort from the film by lending his voice talent and likeness to the game. In another first for the franchise, players can join forces with friends to combine and cast spells cooperatively creating more powerful magic than ever before. Harry, Ron and Hermione are all playable characters in this action-packed game where magic is everywhere! Since the number of Internet threats consisting of viruses, worms, trojans (to mention just a few) is growing day by day, Softpedia gives you the chance to vote for your favorite antivirus application.
