## Heatseeker Unlockables (PS2)

### *Top Secret Plane and Weapon Pack*

Heatseeker will strap you into the pilot's seat and deliver an exhilarating white-knuckle ride that'll have you clutching the joypad as you engage in face-melting 6G turns and fight against a seemingly-impossible amount of [airborne enemies](#). And when you launch a strike, you'll follow your missiles as they ruthlessly home in on their targets via the Impact Cam. Delivering awesome cinematic 3rd-person camera cutaway scenes, the Impact Cam will reveal the results of your attack in all their devastating glory from all kinds of dynamic angles, - Complete with jaw-dropping explosions and smoke trails. With missions across the US, down to the Caribbean, across Antarctica and into the Far East, it'll be [high-velocity combat](#) all the way that'll see you constantly switching from predator to prey as an enemy missiles lock on. Throughout the game's campaigns, you'll be proving your right to fly with the best. Are you good enough to advance ahead of your fellow pilots and stay top? Can you throw your aircraft to the floor, twist and turn and punch out counter measures as you pull as many Gs as necessary to out-manoeuve the missile? Basically, are you good enough to stay alive?

**Unlockables**

**Top Secret Plane "The Big One" Weapon Pack** To unlock the Top Secret plane and "The Big One" weapon pack, just complete both of the Pilot and Ace bonus objectives for the final mission (Mission 4.5-The Final Count Down). "The Big One" weapon pack is the fourth weapon pack for the Top Secret plane and includes the A-SLAMR superweapon. This weapon, however, does not recharge after being fired.

**The Big One (SR-71 Blackbird's 4th Weapon Pack)** - Successfully complete the Ace bonus objective. **Top Secret Plane (SR-71 Blackbird)** - Successfully complete the Pilot bonus objective.

**Unlockable Aircraft** This guide can be used to unlock only from 1.1 Welcome to Paradise until 2.4 The Payback. Please note that the final stage is 4.5 the count down. All of those aircraft and weapon pack can only unlock by completing bonus objective.
