## **Introducing Windows Vista Tips & Tricks**

*A website full of resources to get the most out of Vista*

Want to get into Vista's every nook and cranny? Here is your chance. Microsoft has made available the windows [Vista Tips & tricks Website](#). Through it, the Redmond Company enables Vista users to access downloadable guides containing helpful tips&tricks on Microsoft's upcoming operating system. "Welcome to the new Windows Vista Tips & Tricks site! The information here gives you all the tools you need to become more efficient and productive with Windows Vista right away," Microsoft greets Vista users. At this very moment, the Redmond Company is providing two sheets for download: the Windows Vista Tip Sheet and Windows Vista Top 10 Tips & Tricks. But the website also points to webcasts and Training Tools. Be One of the First to See Tips & Tricks for Windows Vista webcast is due on October 30th, 2006 and A First Look at the 2007 Microsoft Office System and Windows Vista: Working Better Together webcast is scheduled for November 17th, 2006.
