## **Katie Holmes to Make Tom Cruise Sign A Prenup**

*A couple of \$millions if the marriage doesn't last five years*

Katie Holmes wants a prenup. Sources say Katie's dad, who is a lawyer, has come up with the idea. He is representing his daughter's interests, and, according to Star, "is playing hardball with the prenup negotiations", as he wants to make sure his daughter will receive "a lump sum payment in the millions if the marriage should dissolve before the five-year mark." Same source says: "The Holmes family would never tell Katie if they thought her marriage was doomed from the get-go, but they are pressuring her to hold out not only to protect her interests but those of her child." Whether the Holmes like Tom Cruise or not, Miss Holmes surely loves him. And the prenup seems to be no problem for Tom, who is happy to sign the contract as soon as possible.
