My kung fu is better than yours

Kung Fu Panda is a videogame based on the upcoming movie with the same name. It gives players the chance to experience for themselves the wonderful moments in the film, as well as completely new levels and various situations created specifically for the game. Kung Fu Panda will offer a new and exiting gameplay experience as gamers learn more and more kung fu moves in order to defeat several villainous enemies including the terrible Wu Sisters and even Tai Lung. Players will have to pass dangerous obstacles and solve puzzles as they navigate through the levels. By mastering the art of kung fu, your character will be able to unlock a series of new moves as well as multiplayer heroes. Everyone will get to enjoy this wonderful game when it hits the stands on June 6, 2008.
