## [LEGO Star Wars 2: The Original Trilogy Cheats and Unlockables \(PSP\)](#)

### *Master the Force*

Almost everything in *LEGO Star Wars 2: The Original Trilogy* is made out of Lego bricks. Like its predecessor, this game presents a humorous view of the Star Wars universe, and re-tells some of the original trilogy's most famous moments through cut-scenes that feature no dialogue whatsoever.

The ability to "create" *LEGO Star Wars* characters is a new feature in the game, allowing the player to mix multiple character parts, which also automatically creates a name for the new character (such as a Master Leia, C, Boba Skywalker or Darth 3PO). Using a saved game from the previous *LEGO Star Wars* games allows the player to transfer the prequel characters into the Original Trilogy, although they cannot be customized, save for a few select pieces.

The difficulty adjusts to suit the player. This "adaptive difficulty" function is a feature that has been implemented by Traveller's Tales as a response to the relative ease gamers completed the first game. This feature can be manually turned on or off in the Extras menu.

### CHEATS

#### Extras

Enter one of the following codes at the Mos Eisley cantina to unlock the corresponding extra in free play mode:

Santa hat and clothes CL4U5H

White beard TYH319

### UNLOCKABLES

#### Invincibility

On Chapter 5 of Episode IV: A New Hope in Free Play mode, use 3CPO to unlock the first door. Then use someone who has force powers to put together the fridge in the room. The fridge will open and a Super Red Power Block will pop out, allowing you to buy Invincibility in the cantina for 900,000 studs.

#### Minikit Detector

Play Chapter 5 of Episode V. Use the Force on the X-Wing. Then, start walking around the X-Wing. You will get a Red Brick, allowing you to purchase the Minikit Detector for 500,000 studs.

#### Bounty Hunter mode

Purchase all the bounty hunters (Boba Fett, Bossk, Dengar, Greedo, IG-88, and 4-LOM) to

unlock the Bounty Hunter mini-game.

#### Gold Brick bonuses

Collect the indicated number of Gold Bricks after completing all chapters of the listed episode to unlock the corresponding bonus.

Episode 4 Character Bonus: 8 Gold Bricks

Episode 4 Minikit Bonus: 8 Gold Bricks

Episode 4 Super Story: 8 Gold Bricks
