[Liam Gallagher Angry With Pete Doherty](#)

Liam Gallagher, member of Oasis, criticized Pete Doherty from Babyshambles for failing to show up to a recent gig at Southampton

Oasis member, Liam Gallagher, criticized Pete Doherty for failing to show up to a recent gig at Southampton where he was due to support them with Babyshambles. Gallagher confessed he's very angry and his band will never give Babyshambles another chance. According to NME.com quoting Spanish newspaper El Mundo, Liam said: "That's where the relationship ended. What we're not going to do is give him a second chance." It's not a question of professionalism. It's much more simple than that. This is the greatest group in the world and what we're not going to do is let anyone, Pete Doherty, Liam Gallagher or Elvis, f**k it all up." At the time of the concert Doherty claimed he was unable to return from Paris where he was attending the birthday party of friend and fashion designer Hedi Slimane. Babyshambles were eventually replaced by The Zutons for the support slot at Milton Keynes.
