[Looney Tunes: ACME Arsenal Cheats and Unlockables \(Xbox 360\)](#)

Unlimited ammunition codes and all the trophies you can unlock while playing

Looney Tunes: ACME Arsenal is a great third person action adventure title developed by Redtribe and published by Warner Bros for the [Xbox 360](#), Nintendo Wii and PlayStation 2 consoles. The game was released on the 9th of October 2007 in the United States and during late fall in PAL territories. The reviews as well as the reaction of the fans were mixed, though. Most of the people criticized the game for "getting" too much from similar games (titles such as Ratchet and Clank) while others considered this title one of the worst ever made. Still, a lot of kids and grownups alike have enjoyed the fun action adventure brought to us by Warner Bros. We know that true gamers play all these games just for fun, as they should and not in order to achieve specific point landmarks to prove their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for when it comes to the game, we have prepared a full list of cheats and unlockables. Good luck!

CHEATS Select "Cheats" at the main menu. Then, enter the following code at the "Cheat" menu. Enabling codes will disable game saves. It is recommended that you only use cheats on levels you have already played. If you complete a new level with the cheats on, you will not be able to save and must then repeat the levels without using codes.

Unlimited ammunition Quickly press Down, Left, Up, Right, Down, Left, Up, Right, Down at the "Cheat" menu.

UNLOCKABLES

Trophies Look in the indicated locations to find the corresponding trophy.

Michigan J. Frog Trophy In the Assembly Line Insanity level, go to where all the black knights are before you trigger the switch. The trophy is hidden in a breakable section of wall on your way to the platform.

Porky Pig Trophy At the end of the Muddy Evil Forest level, before you reach the Big Black Knight, get on top of one of the houses. The trophy is hidden in the tree top.

Road Runner Trophy Get to the swinging pendulum section in the Pyramuddle level. Go all the way across to the opposite side of where you entered. The trophy is hidden in one of the breakable boxes.

Tweetybird Trophy Near the end of the Whack Tastic Robo Bash level is a door marked with the word "MONSTER". The trophy is somewhere above that door.

Wile E. Coyote Trophy Go up the hill at the start of the Volcano Way Out level. Continue until you find the first tree on the left. Fall off the ledge to the left to find the trophy.

Yosemite Sam Trophy Get to the part of the Low Noon level where you meet the first Big Cowboy. Go back the way you came from, past the tracks to the right. The trophy is hidden on top of one of the houses. Here is a gameplay trailer:
