[MX vs. ATV Unleashed: On The Edge Codes \(PSP\)](#)

The code below will unlock everything that wasn't available before

MX vs. ATV Unleashed brings [Rainbow](#) Studio's critically acclaimed ATV expertise to the "Unleashed" franchise, allowing gamers to compete with ATVs, dirt bikes and an array of new vehicle types including a redesigned monster truck, powerful sand-rail and a raised 4x4 golf kart. Players explore massive free-world environments containing hill climbs, machine challenges and short track races. The game is playable online for up to eight players allowing them to compete with the top professional ATV and Motocross riders in career mode. MX vs. ATV Unleashed: On the Edge is a [PSP](#) game developed by THQ where one races ATVs (all-terrain vehicles) And MX (motocross) bikes, released in 2006. There are several modes of play covering the entire world of pro ATV and MX racing like Hill climb, FMX, super cross race and others. In this game, one can drive not only ATVs and MX bikes but dune buggies, golf carts, stadium trucks, monster trucks and sand rails. It's a fairly straightforward port of the PS2, Xbox, GC title MX vs. ATV Unleashed which was released in 2005 by THQ. Besides obvious graphical differences and the addition of several new playable areas, the game lacks the ability to fly airplanes, like in the console edition. The game has been marketed as MX vs. ATV: On the Edge in both magazine articles and the box art, however, in game it is always referred to as MX vs. ATV Unleashed: On the Edge. ([Wikipedia](#))
