[Madden NFL 06 Unlockables and Hints \(DS\)](#)

Madden Card set, high stepping and unstoppable play

Madden NFL 06 is a title in the worldwide known franchise developed by Electronic Arts and published by EA Sports. The game was released in August 2005 for all platforms:

[PlayStation 2](#), GameCube, Xbox, [Xbox 360](#), Windows, PSP, Game Boy Advance, DS.

The game is a real delight for football fans all over the world and it is today the fourth best selling game (on all platforms) in the United States. We have a list of unlockables and general gameplay hints for you, in order to get what's the best out of this masterpiece. Don't forget to search our website for the list of cheat codes and other tips for the other platforms the game was released on, as well as the other games in the franchise.

UNLOCKABLES

Bonus Madden Card set

Have the Game Boy Advance games Madden NFL 2005 or Madden NFL 06 in the cartridge slot. Go to "Madden Cards". The game will detect the Game Boy Advance game, and you can buy a bonus set of Madden Cards.

High stepping into endzone

When you are running very far out in front of everybody and are by the endzone, hold X. Your player will high step all the way into the endzone.

GAMEPLAY HINTS

Unstoppable created play

Go to "Features" on the main menu. Go to "Create-A-Play", then "Create New Play". Create an "Offensive Run". Use the "Split Backs" formation. Select "Normal", and when it loads press R button until it is over your Half Back. Change the type to "Runs". Change the play to "Toss L". Make sure that your left wide receiver is blocking, and the play is "Run Blk R". When you test out the play, make sure that you run along the sidelines and juke people out if needed. If you keep doing this, you should have a touchdown in only a matter of plays.
