[Marvel: Ultimate Alliance Cheats and Hints](#)

The Masters of Evil must die!

Every game on the market is more or less about a super hero, but Marvel: Ultimate Alliance is the only one to put together more than 20 of Marvel's best super heroes, including Spider-Man, Wolverine, Blade and Captain America. Their quest in this action-RPG is to destroy Dr. Doom and the newly reformed Masters of Evil. Battles in the air, underwater or on the ground make heroes form parties to get bonuses and send those villains to their graveyard. In case you need a little more help than the one developers offered during gameplay, there are some cheats and hints in store for you here. **Daredevil** Press Left, Left, Right, Right, Up, Down, Up, Down, Start at a S.H.I.E.L.D.
