[Mortal Kombat: Deadly Alliance Cheats and Fatalities \(Xbox\)](#)

Your soul is mine!

Everyone loves [Mortal Kombat](#) for its bloody, over the top violence. Where else can you see someone splatter an opponent's head between both stomping feet or simultaneously squash and dismember a foe by belly-flopping on top of him? But, sooner or later, you're gonna want more, and this is where Mortal Kombat Deadly Alliance really comes through. Just because you've played through the initial kombatants and battled in all of the basic arenas, don't think that [Mortal Kombat](#) Deadly Alliance has nothing else to offer. Doing well in the Konquest and Arcade modes (or wagering wisely in Versus mode) lets you amass many different kinds of koins, which in turn, unlocks all those koffins in the Krypt. The Krypt contains concept art, alternate costumes, playable characters, and new arenas. The only problem is, each coffin is only labeled with a two-letter code ... there's no way to tell what you're getting.

Fatalities—Kung LaoDown, up, back, A**Fatalities—Kenshi**Forward, back forward, down, A**Fatalities—Scorpion**Back (x2), down, back, **BMK: DA Fatalities**MK: DA Fatalities need a specific combination of button presses and the D—pad will initiate a Fatality.**Fatalities of all fighters:**1=attack 1 button FRONT=F2=attack 2 button BACK=B 3=attack 3 button UP=U4=attack 4 button DOWN=D**Fatalities:Bo'Rai Cho**—B,B,B,D+4

Blade—B,F,F,D+2Sub—Zero—B,F,F,D+3**Fatalities—Johnny Cage**Back, forward(x2), down, Y**Fatalities—Sub-Zero**Back, forward(x2), down, A**Fatalities—Bo Raj Chu**Back(x3), down, B**Fatalities—Kano**forward, up(x2), downs, XHere are all the fatalities in the game:
Get Koins EasyFirst you need a save pack. Then play a konquest game till you have some koins. Save the profile on both the Xbox hard drive and the save pack. Go to the two-player versus screen and play a game against your self; wager all the koins until the second player loses all the matches. After you do this, you will have double the amount you started with. You can save the new profile with the amount of koins you just got and do the process until you have the amount of koins you want.

1. AA 1556 Gold Reward—Get Quan Chi Alternate Outfit
2. AB 186 Sapphire Reward—Get Kung Lao Sketch
3. AC 424 Platinum Reward—Get Li Mei
4. AD 96 Sapphire Reward—Get Moloch Sketches
