## [NASCAR 98 Secrets and Unlockables \(PSX\)](#)

*Shoot paintballs and unlock turbo mode*

**NASCAR** 98 is a racing simulator video game published and developed by EA Sports and released on October 31, 1997 for the Sega Saturn, and on November 17, 1997 for the PlayStation. This was the first of the EA Sports NASCAR series, and is regarded as one of the best. The game's features include: 24 Winston Cup drivers 10 official NASCAR Winston Cup tracks and 6 fantasy road courses (Including the Suzuka road course used during the 1996-1998 **NASCAR** Exhibition races in Japan) Commentary by Bob Jenkins Single race Championship season Interactive pit stop menu Custom car setups 24 car field "Southern rock" style soundtrack, including Molly Hatchet's Flirtin' with Disaster Included "paintball mode" cheat where cars could be spun out with multi-colored trajectory Critics were generally pleased with NASCAR 98, praising the game's graphics, which were regarded as exceptional for its day. The game's cars' "fast and loose" handling was also well received. However, the game's soundtrack was regarded as "lame". ([Wikipedia](#))

**Codes**  
**Misc. Codes**  
 Go to race statistics and then push and hold down R1 + R2 + L1 + L2 Push TRIANGLE to shoot paintballs in a race. At the options screen press and hold "circle" then press Up, Left, Down, Right, a new option will appear at the bottom of the screen - Turbo Mode

**Unlockables**
