[NBA 2K6 Cheats and Achievements \(Xbox 360\)](#)

Complete lists of codes and things to achieve while playing

NBA 2K6 is a [basketball](#) simulation video game developed by 2K Sports and published, among other consoles, on the Xbox 360. It was received pretty well by game fans all over the world, even though many improvements were needed in order to be considered a really successful title. However, since it was the first game published by 2K Sports, we can forgive them for the minor problems. The NBA superstar on the cover is Shaquille O'Neal and the main innovation introduced back then was the shot stick control method. Otherwise, it was a classic basketball game which did not manage to defeat the already stronger Electronic Arts-developed NBA 2006. We know that true gamers play all these games just for fun, as they should and not in order to achieve specific point landmarks to prove their friends they are very cool, but we also know that sometimes you just can't live without achieving everything possible with a title you really enjoy. If that's the case and you want to know exactly what to look for, we have prepared a full list of cheats and achievements. Good luck!

CHEATS Select the "Features" option at the main menu, then select "The Crib". Look around until the PowerBar vending machine comes into view. Zoom in to it then scroll to the bottom button, which is labeled "Enter Code". Select the button and use the onscreen keyboard to enter one of the following case-sensitive codes.
