Help Naruto

Naruto: Path of the Ninja 2, or Naruto RPG 3: Reijuu Vs. Konoha Shoutai, as it is known in Japan, is the third installment in the Japanese Naruto RPG series. It is based on the extremely popular Naruto anime series, which is aired across the world by a variety of TV stations, including TV Tokyo and Cartoon Network. The game stars the main character of this franchise, namely Uzumaki Naruto, and follows his adventures throughout the fictional world in which he is placed.

Naruto: Path of the Ninja 2, or RPG 3: Reijuu Vs. Konoha Shoutai, has its actions placed after Naruto RPG 2: Chidori vs. Rasengan, and boasts an impressive 30 character roster. Among the figures who appear in this game, one can notice Naruto, Sasuke, Sakura, Kakashi, as the main ones, and additional characters, like Jiraiya, Orichimaru, Gaara, Temari, and others.

The title uses the Wi-Fi capabilities of the Nintendo DS to the fullest, and offers online multiplayer so that gamers can fight against other people from across the world. Naruto: Path of the Ninja 2, or RPG 3: Reijuu vs. Konoha Shoutai, was well received by critics, who praised its solid story and how the powers of the characters were consistent with the ones found in the anime series. The game enjoyed some pretty big sales, and moved quite a lot of Nintendo DS handheld consoles where it was launched.

UNLOCKABLES

Konohamaru bonuses

Go to the Ninja school in the main town and talk to Konohamaru. A touchscreen password system will appear, consisting of twelve square areas arranged in a grid with Japanese characters. Assume the areas are assigned to numbers on touchscreen as follows:

1 2 3 4;
5 6 7 8;
9 10 11 12.

After entering a password, you will receive an item that will unlock a character or an object.

Kankuro: 1, 12, 10, 11, 2, 5, 4, 7;
Temari: 8, 6, 9, 3, 12, 11, 2, 7;
Third Hokage: 3, 7, 8, 1, 10, 2, 5, 12;
Garra: 4, 11, 6, 9, 1, 2, 10, 12;
Guy: 9, 11, 1, 7, 4, 5, 6, 12;
Iruka: 10, 7, 4, 12, 11, 1, 9, 2;
Itachi: 7, 2, 5, 9, 4, 1, 12, 6.
