Collector's Edition

In celebration of Need for Speed's 10th year anniversary, EA announced today that it will be shipping a Need for Speed Most Wanted collector's edition in November, in conjunction with the launch of the game for PlayStation2, Xbox, Nintendo GameCube, PSP, Nintendo DS, GameBoy Advance, PC-CD and Mobile. The Xbox 360 version of the game will also ship as an Xbox 360 launch title. More details to follow. The collector's edition titled "Need for Speed Most Wanted Black Edition" will feature exclusive cars, races and specially-tuned rides, as well as a bonus DVD with behind the scenes footage of model and actress, Josie Maran, concept art, exclusive videos and much more. "Need for Speed Most Wanted Black Edition" will be available for the PlayStation2, Xbox and PC-CD. "Need for Speed Most Wanted" combines the thrill of open-world street racing and customization with the intensity of strategic police pursuits. It is the next release in the hit racing series that challenges players to become the most notorious and elusive street racer. This week, Softpedia would like to know your opinion on gaming consoles. What is your favorite console you either own or you are planning to buy? Are you an Xbox fan or a Playstation fan? Has Xbox360 convinced you it's time to buy one? Or you'll wait for the PS3?
