[Need for Speed: Underground 2 Cheats and Unlockables](#)

Drifting down the mountain, baby!

The famous Need for Speed garage gains another star with the Underground 2 addition. Although it doesn't stand out much from its predecessor, Underground, the game does feature an impressive five interconnected districted city where you can roam freely or take the quick jump to the race of your dreams. Circuit, Drift and Drag events are once again open to challenge. New visual tuning is available and aftermarket parts are in store for the sport cars that you have always wished for. If you don't enjoy wandering around and competing in all the races to finally unlock the craved for four-wheeled monsters, then you have come to the right place. Cheats are available to everybody that is in more of a rush than EA expected with the NFS: Underground 2.
