Nicole Kidman got into a verbal fight with one of the photographer, on the red carpet, at the New York premiere of her latest movie "Bewitched". Apparently, the snapper shouted after the actress because she didn't want to pose for him. Losing her famous cool for a moment, Kidman blasted, "You're very rude," before returning to the red carpet, visibly upset. Her publicist was overheard asking, "Are you OK?" - to which the Aussie actress replied, "No, I'm not," before hurrying into the cinema, reports Femalefirs. Nicole Kidman is in the middle of a support campaign for her close friend Russell Crowe. She says, "Obviously, I heard what happened and I'm a very good friend of his - one of his best friends, I would say. So you're there for your best friends."
