[Original Game and Cult of Mithras Expansion Downloadable Via The Softwrap System.](#)

More MMO for everyone!

The fast growing publisher Black Bean announced that it will be joining forces with Softwrap in order to supply digital downloads of its popular real time strategy title Legion Arena. In a deal that will see both the original title and the brand new expansion The Cult of Mithras available through the download service. Legion Arena plunges gamers in to the Roman world to take part in the most famous battles of the ancient world. With epic battles and highly scalable gameplay and not to mention the in depth system where players can train and upgrade their troops, Legion Arena is an exciting prospect for any budding commander. Re-live history and carve out an Empire. [The Cult of Mithras](#) takes the well balanced and in depth gameplay of Legion Arena and adds a mythological twist to the recipe. Command armies of ghosts and demons, watching your enemies run in terror! Spanning seven campaigns and adding a whole host of new features the Cult of Mithras is an expansion that provides excellent value for money. "We are extremely excited to be working with Softwrap on Legion Arena." Said Marco Minoli of Black Bean "The ability to explore new delivery methods is a fantastic step forward for us and with digital downloads becoming more prominent we are hoping that this new partnership will be beneficial to both parties."
