Orlando Bloom To Marry Kate Bosworth?

According to reports, Hollywood hunk Orlando Bloom wants to marry his girlfriend, Kate Bosworth, after three years of dating.

According to reports, Hollywood hunk Orlando Bloom wants to marry his girlfriend, Kate Bosworth, after three years of dating. Bloom, 28, and Kate, 22, reportedly split up last month, claiming they spend too much time apart because of their careers. But despite rumours, it appears Bosworth dumped him because she was fed up with his male friends, especially after a night out with Sean Bean. A friend of Bloom said: "Orlando is a social bloke and he misses the camaraderie of the laddish drinking culture in the UK. When Sean was around he jumped at the chance to sink a few jars." And now, the two actors are back together and thinking of getting married. A friend of the "Kingdom Of Heaven" star said: "Orlando and Kate are magic together. It's as if they are the only two people in the world. It won't be long before they are walk down the aisle together."
