Pamela Anderson was terrified when she came home and found out that someone has been searching through her underwear. The woman broke Pamela's house in Malibu and left a note, saying "I'm not a lesbian, I just want to touch you." Pamela decided to take precautions, to protect herself and her two boys, Dylan and Brandon, installing a new hi-tech security system. Pamela said: "This has been very unnerving. Who knows what is going on in this woman's mind?" The sexy blonde also declared that she wants another child and that she will use a sperm donor to get pregnant again. "I think I'd like to have another baby, I really enjoyed being pregnant. "I really love children and once you have two, you might as well have ten I think I have to find a good sperm donor"
