[Paul Walker Hit During an "Into the Blue" Scene](#)

The actor cracked his skull

The 32-year-old American actor cracked his skull during an underwater scene for 'Into the Blue' and continued working with a gash on his head. (UPI)PaulWalker, an amateur surfer and diver, smacked his head on a cave wall, according to World Entertainment News Network. "We were out there diving and playing around in this cave," the actor said. "Every time I would come up for a breath I had so much head room, but then the tide came up really fast and I came up to take a breath into what I thought was the same pocket and I hit the ceiling because the tide had changed", the Into the Blue star added.Walker also quoted director John Stockwell as saying: "I like that. I want that for the movie. Get back in the water."The actor was treated with a combination of salt water and Neosporin, that helped the wound heal 'pretty quick'.**PAUL WALKERfilmography**The Death and Life of Bobby Z (2006) (pre-production) - Tim Kearney Flags of Our Fathers (2006) (filming) - Hank Hansen Antarctica (2006) (post-production) Running Scared (2006) - Joey Gazelle Into the Blue (2005) - Jared Noel (2004) - Mike Timeline (2003) - Chris Johnston 2 Fast 2 Furious (2003) - Brian O'Conner Life Makes Sense If You're Famous (2002) - Mikey Joy Ride (2001) - Lewis ThomasThe Fast and the Furious (2001) - Brian O'ConnerThe Skulls (2000) - Caleb MandrakeBrokedown Palace (1999) (uncredited) - Jason She's All That (1999) - Dean Sampson Varsity Blues (1999) - Lance Harbor Pleasantville (1998) -Skip Martin Meet the Deedles (1998) - Phil DeedleTammy and the T-Rex (1994) - Michael"The Young and the Restless" (1973) TV Series - Brandon Collins (1993)Programmed to Kill (1987) - Jason Monster in the Closet (1987) - 'Professor' Bennett "Throb" (1986) TV Series - Jeremy Beatty (1986-1987)
